TRAVELLERS 

A TAILORED TOUR EXPERIENCE

Aussie Basketball Travelers want to ensure that your foreign tour provided the team with every opportunity to see the best Australia has to offer, while also ensuring every aspect of the tour meets 'YOUR' needs.

Aussie Basketball Travelers put you in the driver's seat allowing you to control the aspects of your tour that are important to you.

Daily Schedule

On game days, control when you eat pregame meals, what activities the team participate in and when you have preparation/down time before the trip.

Choice of competition

Aussie Basketball Travelers have access to teams of all levels from professional to youth club teams across Australia. Depending on your needs we can schedule games vs professional teams, elite semi-professional teams heading into the playoffs or elite youth teams (All-State, Australian Junior Teams, etc) where you can compete against potential future recruits.

Access to Recruits

Whether it be a game scheduled against an elite youth team, introductions to youth coaches across the country or an elite youth game played prior to your scheduled game ABT can assist you in building recruiting networks while on tour in 'Down Under'

Hotel Options

We work with a range of hotels across Australia, we have options to suit all quality, location and budget specific needs. ABT work with you to find the right hotel at each stop for your bedding configuration and other requirements.

On Ground Tour Support

Travelling in a foreign country can be difficult, Australia is a laid-back, relaxed, English speaking country so getting by each day is not a major issue. But having somebody who can help with local knowledge on where is the best place to grab coffee, shop for souvenirs and even find a good doctor (touch wood, its not required) our Aussie staff will take care of you.

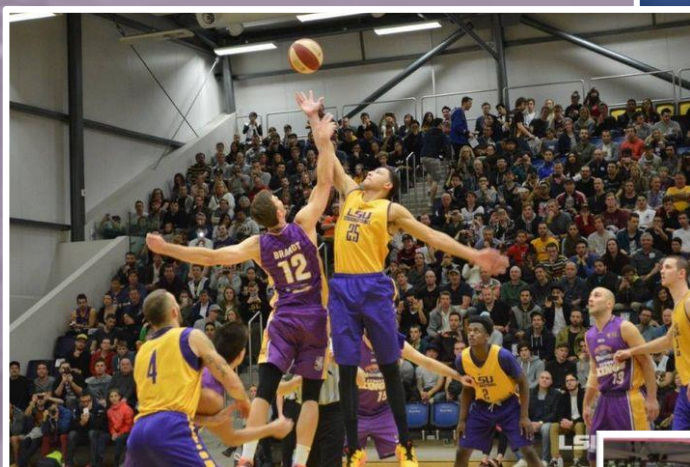

We supply your team with an Australian mobile phone and Wi-Fi hotspot to make sure your never more than a phone call or email away from family, friends and all of ABT's staff.
