Lewis: Warriors had their chances

FROM PAGE D1. denched the stadium in the third quarter, you would have had to like the Warriors' chances to make it back-to-back wins against BYU. "Even with all the mistakes we made four interceptions among them we were still in it to the end," Chang said. "That's where we would have been if we didn't have those five ball fumbles."

Lewis said it would be a real battle, a real close game, but they jumped out early. They're a great team and they came alive." "We could have all but put them away in the first half," said offensive tackle Wagner. "We definitely had all the chances in."
